

## Instructions for Taking the MEE

The back cover of each test booklet contains the following instructions.

You will be instructed when to begin and when to stop this test. Do not break the seal on this booklet until you are told to begin.

You may answer the questions in any order you wish. Do not answer more than one question in each answer booklet. If you make a mistake or wish to revise your answer, simply draw a line through the material you wish to delete.

If you are using a laptop computer to answer the questions, your jurisdiction will provide you with specific instructions.

Read each fact situation very carefully and do not assume facts that are not given in the question. Do not assume that each question covers only a single area of the law; some of the questions may cover more than one of the areas you are responsible for knowing.

Demonstrate your ability to reason and analyze. Each of your answers should show an understanding of the facts, a recognition of the issues included, a knowledge of the applicable principles of law, and the reasoning by which you arrive at your conclusions. The value of your answer depends not as much upon your conclusions as upon the presence and quality of the elements mentioned above.

Clarity and conciseness are important, but make your answer complete. Do not volunteer irrelevant or immaterial information.

Examinees testing in UBE jurisdictions must answer questions according to generally accepted fundamental legal principles. Examinees in non-UBE jurisdictions should answer according to generally accepted fundamental legal principles unless your testing jurisdiction has instructed you to answer according to local case or statutory law.
